Bombay Castle, 12th August 1950.

Letter from the Government of India, Ministry of Finance, No. D. 6156-B1/50, dated 3rd July 1950:-

I am directed to enclose herewith a copy of this Ministry's Memorandum No. D. 4181 B1/49, dated the 20th June 1949, addressed to all Civil Accountants General on the above subject and to state that both the War Office, London and the Armed Forces' Headquarters in India have expressed their inability to furnish the details of the Civil Government Servants in India who were deputed to Ministry Duty with Special Forces 136 and Z during the War. In the absence of these details, which are not also available with the Accountants General in India (vide copy of the Accountant General, West Bengal Letter No. P.R./8-12/97, dated the 20th April 1950 enclosed) it would not be possible for them to prefer the necessary claims against the War Office, London. I am, therefore, directed to request that instructions may please be issued to all the Departments of the Government of your State requesting them to communicate to the Accountant General or Comptroller of the State, the names and other details of the persons who were deputed to Military Duty with the Special Forces "136" and "Z" during the War.

Accompaniment to Government Resolution, Finance Department, No. 3335/33, dated 12th August 1950.

Copy of a letter No. P.R./8/12/97, dated 20th April 1950, from the office of the Accountant General, West Bengal, Calcutta 1 to the Under Secretary to the Government of India, Ministry Finance, New Delhi.

In forwarding herewith a copy of the War Office London letter No. G/G/71R, dated the 13th February 1950, I am to invite your attention to the Government of India, Ministry of Finance, Memorandum No. D. 4181-B1/49, dated the 20th June 1949, on the subject indicated above and to state that references were made in the first instance to Military Accounts offices and finally to the War Office, London for furnishing the list of Civil Government servants deputed for Military duty with the Special forces 136 and Z during the last war. But none could supply any such list. In the absence of this list it is not possible for this office to effect recovery on account of leave salary and pension contributions from the "War Office, London". Attention is invited in this connection to paragraph 2 of the enclosed letter from which it will be seen that in the absence of the detailed records the War Office, London, has asked the Government of India to notify the total sum required.

In the.....

In the circumstances it is requested that the decision of the Government in the matter may kindly be communicated to ena ie this office totake further action, if necessary.

Copy of letter No. G/G/71A, dated 13th February 1950, from the War Office (Room 070) White Hall, F.S.W.I., to the Accountant General, West Bengal, Calcutta.

With reference to your letter P.R./8/12/2824, dated the 17th January 1950.

1. I amt o state that liability for these leave salary and pension contributions has been generally admitted by the M.O. 1(SP) Department in respect of Forces 136 xxix only. Force Z was not administered by them.

2. The Indian Government has already been informed that nod tailed records are in existence which would enable this department to give you the information you require. The Government of India has therefo e been asked to notify to us the total sum required.

3. Also, it is regretted that no lists of Indian Army, Officers and O.Rs. who served with Force 136 can now be supplied.

4. This situa ion has arisen because the responsible authority failed to notify M.O. 1 (SP) at the end of the war when certain records did exist. Had they been informed then, the necessary contributions would have been paid at the time. As it is, in view of the inability either of ourselves or the Indian Government to obtain the necessary particulars on which a claim could be based it is suggested that the matter should not be puraued any further.

The undersigned is directed to state that War Office, London has agreed to discharge the liability on account of leave salary and pension contrinutions in respect of Civil Government Servants deputed for Military Duty with the Special Forces 136 and Z during the last war. In order to avoid any delay in the settlement of the claims the Government of India have decided that the Civil Audit Officers concerned should recover the contributions from the War Office direct instead of through the Military Accounts Offices, for the portion of the service rendred by the persons deputed with the Special Forces.
